Important Information: Venues & Performances

As you may be aware, the Arlington County Board recently approved the School Board's request to build a new elementary school on the parking lot of the Thomas Jefferson Theatre – TAP's home stage. As part of the planned construction, Arlington County informed us there will be significant disruption to the Thomas Jefferson Theatre's parking for an estimated two years, beginning summer 2017.

Despite the construction, TAP will perform **Pippin** and **Sweeney Todd** at the Thomas Jefferson Theatre as planned, and will make a grand return to the Gunston Middle School Theater One for **A Streetcar Named Desire**.

To minimize the disruption, TAP will use the nearby Arlington County Career Center parking lot (816 South Walter Reed Drive) to base a TAP-run shuttle service. We are also seeking County approval for limited Thomas Jefferson onsite parking for those with mobility challenges. Additionally, we are working with Uber and other taxi services to facilitate easier access for TAP patrons. We will provide you with detailed parking and transportation suggestions and information prior to each production.

We recognize the parking situation will be an inconvenience to many of our patrons. We are grateful for your patience and understanding, and for staying with us as we weather the County's construction project together. We can promise you the same high quality productions, with show stopping musical numbers and breathtaking moments that you have come to expect from The Arlington Players.
