

# TAP – Legally Blonde

## *Video Audition Submission Instructions*

Thank you for your interest in auditioning for *Legally Blonde* with The Arlington Players! Please see below for submission details:

- 1) Please prepare 16-32 bars of a musical theater selection that best showcases your voice, and your ability to act through song (it **does not** have to be in the style of the show).
- 2) For your video, please ensure that your device is stable throughout the recording; we don't want the perfect take to fall victim to a sliding phone! Headphones with a microphone are suggested for quality of sound, but not required. **Please use a backing track/karaoke track for your recording (do not sing a cappella).**
- 3) At the start of your video audition please slate in the following order:
  - Introduce yourself (full name)
  - Introduce your audition piece (please note the song title, and the show/production title it is from, as applicable)
  - Begin!
  - **Videos should not exceed 2 minutes total (120 seconds)**
- 4) Please send your **completed audition form**, including applicable headshot and resume (headshot should be sent as a separate attachment) via e-mail with your video submission no later than **Tuesday, 2/11 by 9:30 PM**. Please be sure you are available between 10 AM and 4:00 PM on Saturday, 2/15, in case you are invited to attend in-person callbacks. **If you are not available for callbacks, please do not submit a video audition.**
- 5) **Formatting:** YouTube and/or Vimeo links are preferred for video submissions. However, attachments and/or shared drive links will also be accepted. For attachments and/or shared drive links, please make sure that your video can be played on **both Macs and PCs**. Submit your video to the following email address, with the subject line "**TAP – Legally Blonde Video Submission - [first name last name]**" to the Producers, Jasmine Jones & Brandon Schenk, at [tapLBprod@gmail.com](mailto:tapLBprod@gmail.com) (it will be forwarded to the creative team, so **please make sure** any links are shareable!).
- 6) You will receive a response confirming receipt of your audition once the production team confirms there were no access issues. You will be notified of a callback invitation, and final casting decisions, as outlined on the audition form.

**HAVE FUN, and break a leg!**
